ONSITE

We do not run session times at KGDO given the breadth and size of the event. This allows people to maximise their experience and see as much as possible. The 2019 event includes a number of exciting new features and will spread across the ACC's Central and East Buildings.

We anticipate peak visitor times will be between 11am – 2pm across both event days, with Friday, 19 April being the busiest day. We ask you please plan your visit accordingly and around your PJ Masks show time.
